

# Pastor's Certification

## Why a pastor's certification?

Our children are under attack. Therefore we must take extraordinary steps to protect them from abuse. Our purpose is not to eliminate parent involvement in outings, but rather to provide the safest environment possible by requiring the pastor approval of each adult accompanying the boys to camp.

Because the large number of applicants, it is impossible to check the references on every leader applicant. As a result, great reliance is placed on the representation of each applicant's pastor to insure the applicant's suitability for accompanying minors.
